

“Let us serve one another in love”

- Rule of Benedict 35:6

WITH THE PASSING OF YEARS, our monastic community continues to affirm the equality of all baptized persons and to offer a hospitable welcome to the Eucharist table in communion with our Catholic and Benedictine monastic tradition.

Following this tradition, the community has chosen three of our brothers to serve as presbyters (priests) at our monastic celebration of Eucharist: brother Placid, brother Michael and brother Daniel.

We are happy to share with you that Bishop Paul Bootkoski, Bishop-emeritus of the Diocese of Metuchen and longtime friend of our community, ordained our three brothers during the celebration of Eucharist on Monday, June 4, 2018.
