

## Advent/Christmas Antiphon I with Psalm 24

***Antiphon:***

**Heavens, pour down your waters from above:  
let the Just one descend.  
Open up, O earth and let the savior bud forth.**

1. The earth's fullness belongs to the Lord  
for all that is substance and breath,
2. all things  
from pebble to star  
are born from his love.
3. Open your highways and gateways,  
ancient paths and new roads, open!  
for the Lord of glory is coming. *Repeat Antiphon*
4. Who is this Lord of glory,  
he who lifts all his creation  
into the dance of life!
5. Open your highways and gateways,  
ancient paths and new roads, open!  
for the Lord of glory is coming.
6. Who is this Lord of glory,  
the maker of all worlds.  
He is the Lord of glory! *Repeat Antiphon*
