

Anything Happens

Refrain:

**Anything happens if we are open to see that creation is coming alive.
The real is the beautiful transformed with love
and the wonder of new life: turn on right now!**

1. Birds on the wing, trees and the rivers,
stones in their silence cry out. *Refrain:*
2. Hearts once so broken, now radiate healing:
the spirit within has been freed. *Refrain:*
3. Witness the pow'r of life, come dance with delight,
Give someone the wealth of your all! *Refrain:*
4. Ready the moment now to live forevermore,
if we can only let go. *Refrain:*
