

Break Open the Bread of Your Life

Refrain:

**Break open the bread of your life;
give yourself in love:
as leaven to those all around you
and extending to those far beyond.**

1. Whenever you break bread together,
when you drink from the cup of new wine,
do this in mem'ry of me,
and share in the gift of my life. *Refrain*
2. I washed your feet as a sign,
an example of service and love.
As I have done unto you,
to each other you also should do. *Refrain*
3. Do not live your life with indiff'rence.
Reach out and show that you care.
Make a commitment for others,
for justice and peace in the world. *Refrain*
4. You are called to be one body,
united together in faith,
living the Gospel message,
and building God's kingdom on earth. *Refrain*
