

Carver of Words

Refrain:

**All that is rising so clear in the morning,
of Easter is born: Alleluia!**

1. Carver of words, the Lord is your song: sing!
Feel with your heart and tough with your life: Dance! *Refrain*
2. God is alive where earth-people live
in pain and in the music of spirited, joyful refrains. *Refrain*
3. Soft are the sounds of the silence of waiting in hope.
Now can you hear subtle voice of one giving you life? *Refrain*
