

Daughter of Zion

Refrain:

**Sing and rejoice, O Daughter of Zion,
for God is coming to meet you.**

1. You have pondered deeply all that you heard,
listened in the depths of your heart.
God is with you, has not abandoned you,
blest and holy are you. **Refrain**
2. You gave birth to God's own Word,
giving flesh to God's own dream.
As we listen from the depths of our heart,
we need your vision and strength. **Refrain**
3. Teach us and give us wisdom and strength.
Show us how to trust in our God.
Suff'ring is sure to come our way.
May we find hope in you. **Refrain**
4. May your prayer be our hope.
Strengthen our life with your love.
Promises have been made to us.
May we trust in God's love. **Final Refrain**

Final Refrain:

**Sing and rejoice, O Daughter of Zion,
for God is coming to meet you,
for God is coming to meet you.**
