

Feast of Beauty

Refrain:

**Feast of beauty,
food for our lives,
feast of the love of our God!
Jesus, our Passover, leads us to freedom.
Come, feast on the bread of life.**

1. Once we were far away,
a people dreaming of home.
But God's tender love has searched long for us,
and calls us to this feast. **Refrain**
2. We know the reach of God's love,
in sending Christ in our flesh:
to be God's 'yes' without end,
the broken bread of life. **Refrain**
3. God's love stoops at our feet
to bathe our weary lives.
The One who is Lord is servant to each,
and we are friends, not slaves. **Refrain**
4. His words are spirit and fire;
his hands the touch of God.
"Lord, to whom else shall we go?
You have the words of life." **Refrain**
5. Let us love in truth,
with peace that comes from God.
From east and west, with one heart and soul,
we share this cup of life. **Refrain**
6. God of beauty and grace,
we know your love in this bread,
in wine of joy, in lives poured out,
in Jesus, your Word of life. **Final Refrain**

Final Refrain:

**Feast of beauty,
food for our lives,
feast of the love of our God!
Jesus, our Passover, leads us to freedom.
Come, feast on the bread of life.
Come, feast on the bread of life.**
