

## For Us to Live

***Refrain:***

**For us to live is to believe  
in Jesus, the Christ  
and in the one who sent him.**

1. 'Though we have never heard his voice nor seen his face,  
we hope to let his word take root in our lives. *Refrain*
2. It is in spirit and in truth that we are known,  
free to be lifted up in each other's lives. *Refrain*
3. Simply to live for one another as bread:  
this is the call of Jesus stirring within. *Refrain*
4. It is God's spirit that gives life and not the flesh;  
yes, Jesus' words, for us, are spirit and life. *Refrain*
5. Nothing can take from us the hope in which we've grown;  
not even death shall separate us from his love. *Refrain*
6. With inner freedom to be gift with our lives  
no longer shall our days be centered on self. *Refrain*
7. If we should thirst for truth and ask for more of life,  
then shall the spirit waken faith that is real. *Refrain*
