

## For You a Song Is Born

1. For you a song is born,  
a promise told of long ago.  
Sound the trumpet throughout the earth:  
for God has come to live with us;  
this child is the desired of countless people.  
For the face of God, in Jesus, on Mary and Joseph did shine.
  
2. Yes, now a certain fullness of time  
has come with the birth of this child.  
From the depth of creation,  
with joy, we shall draw water  
from the fountain of saving love.  
For the face of God, in Jesus, on Mary and Joseph did shine.
  
3. Rejoice, with gratefulness of heart,  
reach deep into the fibres of your life.  
Can you find among your treasured hopes,  
the one which gives you freedom  
to love and to let others love you.  
For the face of God, in Jesus, has come to shine within ev'ry heart.
  
4. For you, a song is born,  
a promise told of long ago.  
Sound the trumpet throughout the earth:  
for God has come to live with us;  
this child is the desired of countless people.  
For the face of God, in Jesus, has come to shine within ev'ry heart.
