

Gentle and Humble

Refrain:

**Let us be gentle and humble
and patient with each other,
forbearing, loving—making ev'ry effort
to nurture a spirit of unity,
which the Spirit of God offers all.**

1. There is one body, one spirit,
one hope of God's call;
there is one God, creator of all,
who is within all and beyond all. *Refrain*
2. There is one Lord, one faith,
one baptism;
there is one God, creator of all,
who is within all and beyond all. *Refrain*
