

Gentle God

Refrain:

**Gentle God, you call us each by name
and hold us in your hand.
May we reach out to our sisters and brothers,
extend our hand with compassion and with love.**

:

1. The lives of other persons are gifts which we are given;
let us celebrate our differences
and learn from one another. *Refrain*
2. Serving those in need, bearing others' burdens:
so shall we follow in the way
that Jesus lived. *Refrain*
3. United in one heart, let us work together
for justice, freedom, dignity,
equality for all. *Refrain*
