

## Glory to God on Earth

**Refrain:**

Glory to God in the highest,  
and peace to God's people on earth;  
bread for the hungry and love for the lonely,  
glory to God on earth.

1. Let the wilderness rejoice, the desert burst into bloom,  
for God draws near to the lowly to make a lasting home. *Refrain*
2. Rise, shine out, your Light has come to banish weapons of war,  
that peace may flow like a river, and healing like the sea. *Refrain*
3. All who have long been forsaken, and deep in the shadow of death,  
the Sun of Justice is dawning to set the captives free. *Refrain*
4. Open your ears to hear the news, your eyes that you may see:  
God fills the starving with good things, the rich sends empty away. *Refrain*
5. Glory to God in bread now shared, in wounds forgiven and healed.  
To God be glory upon earth, as hatred gives way to peace. *Refrain*
