

God of Our Lives

Refrain:

**God of our lives, be our life.
God of our days, help us to redeem our times.**

1. How often shall we forgive
those who do us wrong?
Your answer, O Lord, is clear,
to forgive is a way of life. **Refrain**
2. You call us to freedom,
not to secure our lives.
You call us to be open,
to give from deep within. **Refrain**
3. Violence is in the air,
fear is all around.
Now we call upon you
to be our saving ground. **Refrain**
4. Freedom has been given us;
grace fills our days.
Now let us give back to you
hearts that are filled with praise. **Refrain**
5. You have given birth to us,
set us on your heart.
May we always remember
your loving call us to us. **Final Refrain**

Final Refrain:

**God of our lives, be our life.
God of our days, help us to redeem our times.
Help us to redeem our times.**
