

# God Will Be with Me

1. Let it be, yes, let it be;  
as you will, so let it be done.  
Though I do not understand,  
God will be with me: this I do know.
2. In great haste she made her way  
to her cousin who was with child.  
When they kissed the child moved within  
and they knew the Spirit was there.
3. You are blessed, O Mary, my friend,  
for your own child will be but the Lord.  
Let us sing of this great day  
and the life so vibrant in us.
4. Let it be, yes, let it be;  
as you will, so let it be done.  
Though I do not understand,  
God will be with me: this I do know.
