

## Happy the Just Ones *(inclusive language - Happy man)*

**Refrain:**

**O happy, O happy are the just ones  
who are sincere in their love of God.**

1. Happy indeed are those  
who follow not the counsel of the wicked;  
but whose delight is the law of God  
and who ponder that law day and night. *Refrain*
2. They are like a tree that is planted  
beside the restful waters,  
that yields its fruit in due season  
and whose leaves shall never fade. *Refrain*
3. When the wicked are judged they shall not stand  
nor find room among those who are just;  
for the Lord guards the way of the just,  
but the way of the wicked leads to doom. *Refrain*
