Have Mercy, O God (Psalms 22, 51)

Refrain:
> **My God, my God,
> have you abandoned me?**

1. Have mercy, O God, in your faithful love;
    tenderly attend to my pain.
    Cleanse this wound, deep in my soul.
    What have I done wrong? *Refrain*

2. I feel my pain throughout the day;
    never does it seem far away.
    Lost, alone, where have you gone?
    I long to see your face. *Refrain*

3. Where is the sound of music and harp?
    Where has my joy gone?
    Pain within, pain all around:
    when will my sorrow end? *Refrain*

4. Give me again the joy of your help.
    Call to mind your faithful love.
    Help me now, I cannot wait.
    Your love is what I need. *Refrain*
