

Healing Presence

Refrain:

**Healing presence of God's Spirit within all humanity:
teach us to live compassion freely, to thirst for truth's integrity.**

1. Come and call us beyond ourselves to see---
misery, injustice and greed. *Refrain*
2. Be among us as we strive to be
disciples true to Jesus' name. *Refrain*
3. Spirit holy, in the name of love,
waken us to see with eyes of God. *Refrain*
4. Sing the songs, dance the joy of God's own heart;
be our breath and leaven us with hope. *Refrain*
5. Come, create within our deepest heart
freedom to give of our life. *Refrain*
6. Ever call us to deeper prayer and faith,
opening our hearts to one and all. *Refrain*
