

Hear, O Heavens

Refrain:

**Hear, O heavens, and listen, O earth,
for our God speaks to all people.
Cease to do evil and learn to do good.
Make justice your home forever.**

1. Shelter the oppressed and the homeless,
and share your bread with the hungry.
Release all those bound unjustly,
and hear the widow's plea. *Refrain*
2. Revive all spirits dejected,
and heal the hearts of the crush'd.
Open the eyes of the blind,
and strengthen all weary hearts. *Refrain*
