

How Happy Are You

Refrain:

**How happy are you who share the spirit of the poor:
the reign of God is yours, the reign of God is yours!**

1. Come, be with us, martyrs of faith,
and teach us new songs to sing.
For your lives, offered with blood,
give wisdom and strength to go on. *Refrain*

2. Stand firm in faith; do not despair:
compassion will be your guide.
Those locked in fear, prisoned with pain,
will never be free without love. *Refrain*

3. Homeless and poor, hungry for bread,
will we not care for our own?
Prophets arise, stand with your God,
and challenge the powers of greed . *Refrain*
