

I Have Called You Now

Refrain:

**I have called you now by your true name;
one heart we have become.**

**With you shall I be: the gift of faithful love shared among us.
(faithful love, faithful love.)**

1. Yes, we have come to know within our lives
a love to last beyond time. *Refrain*
2. There is no need to fear: our God is near,
creating persons new. *Refrain*
3. Be glad with dance and song, let joy run free;
God's love renews our hope. *Refrain*
4. Let justice flower now. Love tenderly.
Walk humbly with our God. *Refrain*
5. No need to live the past, for we are free:
our roots have found their home. *Refrain*
6. Invite us all to be the bread of peace
for those who live in fear. *Refrain*
