

## If I Be Lifted Up

***Refrain:***

**If I be lifted up above the earth  
I shall draw all thing to deepest life.**

1. Father, the hour has come  
to receive me into your presence full.  
Clothe with unending life  
all those you have placed in my hands. *Refrain*
2. Do not be fearful,  
trust in God and all I have shared with you.  
Be firm in hope and joy,  
for God's spirit remains with you. *Refrain*
3. Walk while you have the light  
or the dark will cloud your pursuit of truth.  
Bearers of gladness be  
and believe in the light. *Refrain*
4. As I have loved you,  
so should you be eager to give your love.  
In loving freely  
all will know that you are my friends. *Refrain*
5. Father, may they be one  
in our love, within and beyond us,  
so to be gift, a word  
of your truth lived in the light. *Refrain*
