

In the Signs of Our Times

Refrain:

**In the signs of our times,
your Spirit, O God, is offered as gift:
may we live in your Spirit,
as people of truth, compassion and love.**

1. Where there is hatred, let us sow the seeds of love;
where we are wounded,
may we open our hearts and forgive. *Refrain*
2. Where there is doubt, let us sow the seeds of faith;
where there's despair,
may we be the singers of hope. *Refrain*
3. Where there is darkness, let us brighten the world with your light;
where there is sadness,
may we spread the joy of Good News. *Refrain*
4. Where there's injustice, let us be the voice of the poor;
where there is hunger,
may we be your bread for the world. *Refrain*
5. Where there is war, let us heal with deeds of peace;
where there is death,
may we nourish the signs of new life. *Refrain*
