

## It Is Your Name

1. It is your name we bear in our hearts.  
And we know it through Jesus' words of life.  
All the love you have given to him:  
in this we share, in this we live.
2. May we all be one in God's own life  
and see his presence so longing to be known.  
And the path that we are free to choose  
will lead us on in search for what is real.
3. True to his name we hope to live forever,  
seeking peace that comes from deep within.  
When we search for meaning beyond words,  
we'll see a new day dawning in our world.
