

Let All Who Hear

Refrain:

**Let all who hear, listen to the Spirit
speaking softly to us;
new vision will be born.**

1. Blessed are the prophets
who give to us their lives.
Blessed those who heed their words,
who never forget them. *Refrain*
2. God will wipe away our tears,
death will not be seen.
Water from the well of life
God gives to thirsty hearts. *Refrain*
3. Let all those who know thirst
come to the waters of life;
drink deeply from this source,
where grace overflows. *Refrain*
4. Shoot from the root of David,
bright morning star,
come, be among us,
inspire all our lives. *Refrain*
