

## Like a Deer (Psalm 42)

***Refrain:***

**Like a deer that yearns for running streams,  
so we are yearning for you, our God.**

1. We thirst for God, the God of our life.  
When can we enter and see the face of God? *Refrain*
2. Our tears by day and night are our bread,  
we hear it said all day long, "Where is your God?" *Refrain*
3. Remembering we pour out our souls;  
how we would lead the rejoicing to your house! *Refrain*
14. Amid loud cries of gladness and thanks,  
the thronging faithful are gathered wild with joy! *Refrain*
5. O why are you so downcast our souls?  
Why groan within us? Now hope and praise your God. *Refrain*
