

Look Within the Wounds of this World

Refrain:

**Look within the wounds of this world
and do not fear.
Risen am I to be with you
as the light upon your way.**

1. Do not close the door of your heart,
for that is where I am.
As you grow in the depths of love,
know that God's abiding there. *Refrain*
2. Mary went in haste to the tomb,
so early in the day.
In a gard'ner, a friend did she meet,
risen Spirit of the Lord. *Refrain*
3. As the Father sent me in the world,
so I am sending you.
To be healing forgiveness to all,
breath of Spirit you receive. *Refrain*
