

Our Heart Is Filled with Joy

Refrain:

**Our heart is filled with joy
as we hope for a new beginning.**

1. Fountains spring from the Spirit of God;
full are the meadows with the vision of life. *Refrain*
2. Let us dream the hopes of tomorrow
when all will be made new and wholesome for all. *Refrain*
3. Speak to me of life in the wilderness of your heart
and the valleys shall run with the children of hope. *Refrain*
4. When that day comes, I shall break the bow in two;
no sword, no more battles and you shall sleep secure. *Refrain*
5. The earth shall cry out: "Integrity is your harvest!"
All shall respond with joy: "You are our God!" *Refrain*
