

## Pilgrimage of the Heart

*Refrain:*

**Let us set out on a pilgrimage of the heart,  
wandering in the wilderness,  
learning how to dance.**

1. Our heart can become as hard as stone  
or supple as a flowing stream.  
Let our hearts break open,  
for water can flow from rock. **Refrain**
  
2. The path can be long and difficult,  
discouraging at times.  
Take your steps slowly,  
walk gently on the earth. **Refrain**
  
3. A vision of truth is given us:  
a land where justice prevails.  
Justice will flow freely  
and peace will guide our way. **Refrain**
  
4. The hope we share on this journey  
is simple and pure.  
God's grace given freely  
will fill our hearts. **Refrain**
