

## So Loved by God

***Refrain:***

**So loved by God are we and called to be a presence  
of gentleness and compassion, lifting burdens.  
Yes, may our hearts be free to bear with others,  
forgiving, reaching out to understand with love.**

1. Freely as the Lord forgives us  
may we find the strength of heart  
graciously, sincerely to forgive. *Refrain*
2. Joyous wonder of faith's wholeness  
which within our heart does dwell:  
Jesus Christ, whose peace we share as one. *Refrain*
3. Teach each other Spirit's wisdom,  
sing of new born hope in life,  
giving thanks to God in Jesus' name. *Refrain*
4. Deep and ancient is the challenge  
to be faithful each new day,  
stirring mind and heart to live with hope. *Refrain*
