

Take My Hand *(for weddings)*

1. *(may be sung as an exchange between bride and groom.)*

Take my hand; share my life;
we shall live as one.
You shall be always free
to become yourself.
In this moment we are choosing
to be faithful as gift for each other's life.

2. *(suggests the participation of the assembly)*

Share our joy, sing with us;
deep the call to live.
May our days, bright with hope,
make more clear our choice.
Long and winding roads we'll follow,
knowing certainly peace must be our home.

Take my hand; share my life;
we shall live as one.
