

That All May Be One

Refrain:

**That all may be one:
one with our God and with each other,
one with the earth and all of creation,
united together in a bond of love.**

1. Give us new eyes that we may see,
new ears to hear;
give us new hands to touch and to bless,
and new hearts to love. *Refrain*
2. Live with compassion, learn to forgive,
make a commitment for justice and peace;
in Jesus' Spirit, give of yourself
to serve those in need. *Refrain*
3. Don't be afraid to cross the lines
that separate and divide;
sisters and brothers, one family,
we'll walk hand in hand. *Refrain*
4. When all the homeless have found a home,
when all the hungry have had their fill,
when all the naked have been clothed:
then all shall be one. *Refrain*
