

The Goodness of God Cries Out

Refrain:

**Today the goodness of God cries out,
and the waters come to life with your saving grace.**

1. O Father of all you gave us your son
to redeem us from the darkness of sin. *Refrain*
2. Radiant is your joy O God
and the splendor of your love is alive, alive. *Refrain*
3. Today you appear O Christ to the world
and your light has shone upon us, O Lord. *Refrain*
