

## Those Who Love

***Refrain:***

**Those who love have seen the face of God,  
they are born from the womb of God,  
for God is love, for God is love.**

1. Love is ever patient, is gracious and kind, and gentle like the wind.  
Love does not possess, but gives itself; its strength humility. *Refrain*
2. Love is always ready to plant with eager hope the seeds of life to come.  
Love's roots run deep, its shade grows wide, its joy to live in truth. *Refrain*
3. There is no waning of love's light, no quenching of its flame.  
There is no fading of its hope. Love's trust will have no end. *Refrain*
