

Trust In God

Refrain:

**Trust in God and trust in me,
there is much room in God's house.
Now to prepare a place for you,
I go, yet shall return.**

1. Friend of the poor, we know not the way,
we know not the place where to go.
I am the Way, the Truth and Life.
If you know me, you will know God, too. *Refrain*

2. What does this mean, you will leave us now,
and then we will see you again?
All of your sadness I will dispel
and your hearts will be filled with deep joy. *Refrain*

3. Why do you want to serve us this way?
No, you shall not wash my feet!
If I cannot, then you must know,
you have nothing in common with me. *Refrain*

4. Sir, if you know the place where he is,
please tell me and there I shall go.
Mary, I'm here; do not cling to me.
Soon I go to the place where God is. *Refrain*
