

## Via Crucis

### **Refrain: (vs. 1 – 5)**

**See the tears, bitter tears,  
of our mother's, our father's grief.  
Agony, agony caused by gun and greed---  
Jesus dies again.**

1. Via crucis, via crucis:  
this our journey through the Red Sea.  
Via crucis, sea of blood,  
which is drenching all our people. *Refrain*
2. Via crucis, via crucis:  
the face of the poor is ground in the dust.  
Their labor daily bread  
sold for just a pound of coffee. *Refrain*
3. Via crucis, via crucis:  
the idolatry feeding the system  
of repression kept alive by  
all the money police and the soldiers. *Refrain*
4. Via crucis, in our prisons----  
at the road blocks, the barrios, the mountains,  
Via crucis, via crucis for the wounded,  
the slain and the orphan. *Refrain*
5. Via crucis, in our morning  
liberation and resurrection.  
We shall stand firm, we shall keep faith,  
we shall live and rise through this suff'ring. *Refrain*
6. Christ has risen, Alleluia,  
en los campaneros, los santos,  
Brothers, sisters our companions  
martyrs of our time, Gospel servants.

### **Refrain vs. 6**

Hear their cry, feel their pain,  
let them touch you deep in your heart.  
See them rise, sing their song-----  
Be converted: their gift of new vision receive,  
Alleluia. Alleluia. Via crucis.
