

We Are the Salt of the Earth

Refrain:

**We are salt for the earth,
we are the light for our world.
May our name be a blessing in our time.**

1. Blessed those who share God's peace.
The reign of God is theirs.
Blessed are the lowly ones
who seek God's face. *Refrain*
2. Blessed are the children,
the simple of heart.
Blessed are those who serve,
giving all they have. *Refrain*
3. Happy those who hear my words,
and take them to heart.
Happy those who heed my voice.
Eternal life is theirs. *Refrain*
4. Happy all who trust in me,
and know my ways.
In their midst is the reign of God,
a dwelling place for all. *Refrain*
