

Wisdom at Play (Hidden in Proverbs 8:30)

This song describes the dynamic of authentic play. Play is not wasting time, but entering into time with fullness of heart. This reflects rejoicing in the birth of each new day, delighting in how we as God's children co-create with God, bringing forth a world of beauty.

**Day after day, God's wisdom at play in the universe,
delighting to be with us, the children of earth.**

Wondrous Wisdom, rejoicing in earth's birth and rebirth:
majestic mountains, rolling hills, roaring waters, flowing streams.

Playful Wisdom, setting out a table of fine food;
with whole grain bread, full-bodied wine, bountiful banquet blessing with joy.

Creative Wisdom, dancing on the edge of chaos;
divine desire dwells deep within, risking passion, daring us to dream.

Gentle Wisdom, calling out with dawns' first light;
graceful instruction, creative counsel, whispers of wisdom speak softly to our heart.

Radiant Wisdom, sparkling starlight, flame of love,
resplendent as sunlight at mid-day, fields of wildflowers bright and alive.
