

With an Everlasting Love (Jeremiah 31)

Refrain:

**With an everlasting love,
I have loved you,
with an everlasting love.**

1. You will find peace in the desert.
I will lead you to a place of rest.
I have seen you, my people, from afar
and long to bring you home. *Refrain*

2. I will clothe you in garments of gold,
restore your beauty and your pride.
With tambourines will you dance for joy.
I promise to bring you home. *Refrain*

3. I will gather you from the ends of the earth,
the blind, the poor and the lame.
With tears of joy I will shepherd you,
and lead you to the water of life. *Refrain*

4. I will change your sadness into hope.
I will comfort you in all your grief.
Come and feast at the table of my love,
and rejoice that you are home. *Refrain*
