

## You Watch over Us (Psalm 34)

*Refrain:*

**You, our God, watch over us.  
Your ear is turned to our cry.**

1. Blessing you at all times,  
your praise is on our lips.  
Praising you from our hearts,  
let the humble hear and rejoice. *Refrain*
2. Turning our gaze to you,  
our faces shall grow bright.  
We need not hang our heads,  
for you hear our plea. *Refrain*
3. If in anguish we cry,  
we trust that you will hear.  
You are near at our side.  
You heal the broken of heart. *Refrain*
4. Let us seek God's face.  
Together, let us set out.  
The one whom we will meet  
is the source of love. *Refrain*
5. We sing our praise to you,  
God who dwells in our midst,  
praising you through your Word,  
your Spirit's breath in our hearts. *Refrain*
