

## You, O God, Are Justice and Love

**Refrain:**

**You, O God, are justice and love.  
We go on our way with integrity.  
Your love is all we need.  
Your love is all we need.**

1. Explore the depths of our heart  
and test our desire in your love.  
Your love is before our eyes.  
Your blessing sustains our life. **Refrain**
2. We need not sit mired in fear,  
nor put on a mask and pretend.  
Goodness is rooted in our hearts.  
Your love casts out our fear. **Refrain**
3. We bathe our hearts in your love  
and journey along your paths,  
a song of praise on our lips,  
a song of trust in you. **Refrain**
4. May we not be swept away by sin,  
nor lose our life through hate.  
Our suff'ring world needs love.  
We yearn to see your face. **Refrain**
5. May we walk with integrity.  
Redeem us and show us your mercy.  
We root our lives in your love.  
We place our hope in you. **Refrain**
